

ASSEMBLY BILL

No. 1729

Introduced by Assembly Member Houston

February 22, 2005

An act to amend Sections 10232.4, 10233, and 10238 of the Business and Professions Code, relating to real estate.

LEGISLATIVE COUNSEL'S DIGEST

AB 1729, as introduced, Houston. Real estate.

(1) Existing law, the Real Estate Law, provides for the licensure and regulation of real estate brokers and makes a violation of its provisions a crime. Existing law requires a real estate broker who is performing certain acts in negotiating a loan to be secured by a lien on real property, or performing certain acts in negotiating the purchase of a real property sales contract or a note secured by a deed of trust, to provide the prospective lender or the prospective purchaser, as the case may be, with a specified disclosure statement. Existing law sets forth various exceptions to this requirement.

This bill would revise the requirements for those exceptions.

(2) Existing law requires a real estate licensee who undertakes to service a promissory note secured directly or collaterally by a lien on real property or a real property sales contract to comply with specified requirements, including the obtaining of a written authorization from the borrower, lender, or owner of the note or contract that is included within the terms of a written servicing agreement.

This bill would exempt from that requirement certain provisions requiring the trust accounts of a broker or person becoming the servicing agent of those notes or interests that are sold to be inspected by an independent certified public accountant.

(3) Existing law requires a real estate broker to file certain information with the commissioner relative to the conducting of a transaction that involves the sale of or offer to sell a series of notes secured directly by an interest in real property, or the sale of undivided interests in a note secured directly by real property equivalent to a series transaction. Existing law requires the notes or interests of the purchasers to be identical in their underlying terms but allows different selling prices for interests to the extent the differences are reasonably related to changes in the market value of the loan occurring between the sales of the interests. Existing law requires the interest of each purchaser to be recorded.

This bill would specify the recording procedures in this regard.

(4) Because a violation of the bill would be a crime, the bill would impose a state-mandated local program.

(5) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 10232.4 of the Business and Professions
2 Code is amended to read:
3 10232.4. (a) In making a solicitation to a particular person

11 of the broker of any funds from that person. The statement shall
12 be signed by the prospective lender or purchaser and by the real

19 Commissioner of Corporations granting an exemption from
20 qualification under the Corporate Securities Law of 1968 for the

33 to be delivered to the owner and shall obtain the owner's written
34 consent to the proposed disbursement before making the
35 disbursement. Unless the broker has a written agreement with the

IN THE INFORMATION REQUIRED TO BE SET FORTH
HEREIN.

1
2 (b) A broker or person who becomes the servicing agent for
3 notes or interest sold pursuant to this article, upon which
4 payments due during any period of three consecutive months in
5 the aggregate exceed one hundred twenty-five thousand dollars
6 (\$125,000) or the number of persons entitled to the payments
7 exceeds 120, shall file the notice required by subdivision (a) with
8 the commissioner within 30 days after becoming the servicing
9 agent.

10 (c) All advertising employed for transactions under this article
11 shall show the name of the broker and comply with Section
12 10235 and Sections 260.302 and 2848 of Title 10 of the
13 California Code of Regulations. Brokers and their agents are
14 cautioned that a reference to a prospective investor that a
15 transaction is conducted under this article may be deemed
16 misleading or deceptive if this representation may reasonably be
17 construed by the investor as an implication of merit or approval
18 of the transaction.

19 (d) Each parcel of real property directly securing the notes or
20 interests is located in this state, the note or notes are not by their
21 terms subject to subordination to any subsequently created deed
22 of trust upon the real property, and the note or notes are not
23 promotional notes secured by liens on separate parcels of real
24 property in one subdivision or in contiguous subdivisions. For
25 purposes of this subdivision, a promotional note means a
26 promissory note secured by a trust deed, executed on unimproved
27 real property or executed after construction of an improvement of
28 the property but before the first purchase of the property as so
29 improved, or executed as a means of financing the first purchase
30 of the property as so improved, that is subordinate, or by its
31 terms may become subordinate, to any other trust deed on the
32 property. However, the term “promotional note” does not include
33 either of the following:

34 (1) A note that was executed in excess of three years prior to
35 being offered for sale.

36 (2) A note secured by a first trust deed on real property in a
37 subdivision that evidences a bona fide loan made in connection
38 with the financing of the usual cost of the development in a
39 residential, commercial, or industrial building or buildings on the
40 property under a written agreement providing for the

1 disbursement of the loan funds as costs are incurred or in relation
2 to the progress of the work and providing for title insurance
3 ensuring the priority of the security as against mechanic's and
4 materialmen's liens or for the final disbursement of at least 10
5 percent of the loan funds after the expiration of the period for the
6 filing of mechanic's and materialmen's liens.

7 (e) The notes or interests are sold by or through a real estate
8 broker, as principal or agent. At the time the interests are
9 originally sold or assigned, neither the broker nor an affiliate of
10 the broker shall have an interest as owner, lessor, or developer of
11 the property securing the loan, or any contractual right to acquire,
12 lease, or develop the property securing the loan. This provision
13 does not prohibit a broker from conducting the following
14 transactions if, in either case, the disclosure statement furnished
15 by the broker pursuant to subdivision (l) discloses the interest of
16 the broker or affiliate in the transaction and the circumstances
17 under which the broker or affiliate acquired the interest:

18 (1) A transaction in which the broker or an affiliate of the
19 broker is acquiring the property pursuant to a foreclosure under,
20 or sale pursuant to, a deed of trust securing a note for which the
21 broker is the servicing agent or that the broker sold to the holder
22 or holders.

23 (2) A transaction in which the broker or an affiliate of the
24 broker is reselling from inventory property acquired by the
25 broker pursuant to a foreclosure under, or sale pursuant to, a deed
26 of trust securing a note for which the broker is the servicing
27 agent or that the broker sold to the holder or holders.

28 (f) (1) The notes or interests shall not be sold to more than 10
29 persons, each of whom meets one or both of the qualifications of
30 income or net worth set forth below and signs a statement, which
31 shall be retained by the broker for four years, conforming to the
32 following:

33
34 Transaction Identifier: _____

35 Name of Purchaser: _____ Date: _____

36 Check either one of the following, if true:

37 () My investment in the transaction does not exceed 10% of my net worth,
38 exclusive of home, furnishings, and automobiles.

() My investment in the transaction does not exceed 10% of my adjusted gross income for federal income tax purposes for my last tax year or, in the alternative, as estimated for the current year.

(2) The number of offerees shall not be considered for the purposes of this section.

(3) A husband and wife and their dependents, and an individual and his or her dependents, shall be counted as one person.

(4) A retirement plan, trust, business trust, corporation, or other entity that is wholly owned by an individual and the individual's spouse or the individual's dependents, or any combination thereof, shall not be counted separately from the individual, but the investments of these entities shall be aggregated with those of the individual for the purposes of the statement required by paragraph (1). If the investments of any entities are required to be aggregated under this subdivision, the adjusted gross income or net worth of these entities may also be aggregated with the net worth, income, or both, of the individual.

(5) The "institutional investors" enumerated in subdivision (i) of Section 25102 or subdivision (c) of Section 25104 of the Corporations Code, or in a rule adopted pursuant thereto, shall not be counted.

(6) A partnership, limited liability company, corporation, or other organization that was not specifically formed for the purpose of purchasing the security offered in reliance upon this exemption from securities qualification is counted as one person.

(g) The notes or interests of the purchasers shall be identical in their underlying terms, including the right to direct or require foreclosure, rights to and rate of interest, and other incidents of being a lender, and the sale to each purchaser pursuant to this section shall be upon the same terms, subject to adjustment for the face or principal amount or percentage interest purchased and for interest earned or accrued. This subdivision does not preclude different selling prices for interests to the extent that these differences are reasonably related to changes in the market value

of the loan occurring between the sales of these interests. The interest of each purchaser shall be recorded.

(h) (1) Except as provided in paragraph (2), the aggregate principal amount of the notes or interests sold, together with the unpaid principal amount of any encumbrances upon the real property senior thereto, shall not exceed the following percentages of the current market value of each parcel of the real property, as determined in writing by the broker or appraiser pursuant to Section 10232.6, plus the amount for which the payment of principal and interest in excess of the percentage of current market value is insured for the benefit of the holders of the notes or interests by an insurer admitted to do business in this state by the Insurance Commissioner:

- (A) Single-family residence, owner occupied 80%
- (B) Single-family residence, not owner occupied 75%
- (C) Commercial and income-producing properties 65%
- (D) Single-family residentially zoned lot or parcel which has installed offsite improvements including drainage, curbs, gutters, sidewalks, paved roads, and utilities as mandated by the political subdivision having jurisdiction over the lot or parcel..... 65%
- (E) Land that has been zoned for (and if required, approved for subdivision as) commercial or residential development 50%
- (F) Other real property 35%

(2) The percentage amounts specified in paragraph (1) may be exceeded when and to the extent that the broker determines that the encumbrance of the property in excess of these percentages is reasonable and prudent considering all relevant factors pertaining to the real property. However, in no event shall the aggregate principal amount of the notes or interests sold, together with the unpaid principal amount of any encumbrances upon the property senior thereto, exceed 80 percent of the current fair market value of improved real property or 50 percent of the current fair market value of unimproved real property, except in the case of a single-family zoned lot or parcel as defined in paragraph (1), which shall not exceed 65 percent of the current fair market value of that lot or parcel, plus the amount insured as specified in paragraph (1). A written statement shall be prepared by the

1 broker that sets forth the material considerations and facts that
2 the broker relies upon for his or her determination, which shall be
3 retained as a part of the broker's record of the transaction. Either
4 a copy of the statement or the information contained therein shall
5 be included in the disclosures required pursuant to subdivision
6 (k).

7 (3) A copy of the appraisal or the broker's evaluation, for each
8 parcel of real property securing the notes or interests, shall be
9 delivered to each purchaser. The broker shall advise purchasers
10 of their right to receive a copy. For purposes of this paragraph,
11 "appraisal" means a written estimate of value based upon the
12 assembling, analyzing, and reconciling of facts and value
13 indicators for the real property in question. A broker shall not
14 purport to make an appraisal unless the person so employed is
15 qualified on the basis of special training, preparation, or
16 experience.

17 (4) For construction or rehabilitation loans, the term "current
18 market value" may be deemed to be the value of the completed
19 project if the following safeguards are met:

20 (A) An independent neutral third-party escrowholder is used
21 for all deposits and disbursements.

22 (B) The loan is fully funded, with the entire loan amount to be
23 deposited in escrow prior to recording of the deed or deeds of
24 trust.

25 (C) A comprehensive, detailed, draw schedule is used to
26 ensure proper and timely disbursements to allow for completion
27 of the project.

28 (D) The disbursement draws from the escrow account are
29 based on verification from an independent qualified person who
30 certifies that the work completed to date meets the related codes
31 and standards and that the draws were made in accordance with
32 the construction contract and draw schedule. For purposes of this
33 subparagraph, "independent qualified person" means a person
34 who is not an employee, agent, or affiliate of the broker and who
35 is a licensed architect, general contractor, structural engineer, or
36 active local government building inspector acting in his or her
37 official capacity.

38 (E) An appraisal is completed by a qualified and licensed
39 appraiser in accordance with the Uniform Standards of
40 Professional Appraisal Practice (USPAP).

1 (F) In addition to the transaction documentation required by
2 subdivision (i), the documentation shall include a detailed
3 description of actions that may be taken in the event of a failure
4 to complete the project, whether that failure is due to default,
5 insufficiency of funds, or other causes.

6 (G) The entire amount of the loan does not exceed two million
7 five hundred thousand dollars (\$2,500,000).

8 (5) If a note or an interest will be secured by more than one
9 parcel of real property, for the purpose of determining the
10 maximum amount of the note or interest, each security property
11 shall be assigned a portion of the note or interest which shall not
12 exceed the percentage of current market value determined by,
13 and in accordance with, the provisions of paragraphs (1) and (2).

14 (i) The documentation of the transaction shall require that (1)
15 a default upon any interest or note is a default upon all interests
16 or notes and (2) the holders of more than 50 percent of the
17 recorded beneficial interests of the notes or interests may govern
18 the actions to be taken on behalf of all holders in accordance with
19 Section 2941.9 of the Civil Code in the event of default or
20 foreclosure for matters that require direction or approval of the
21 holders, including designation of the broker, servicing agent, or
22 other person acting on their behalf, and the sale, encumbrance, or
23 lease of real property owned by the holders resulting from
24 foreclosure or receipt of a deed in lieu of foreclosure. The terms
25 called for by this subdivision may be included in the deed of
26 trust, in the assignment of interests, or in any other
27 documentation as is necessary or appropriate to make them
28 binding on the parties.

29 (j) (1) The broker shall not accept any purchase or loan funds
30 or other consideration from a prospective lender or purchaser, or
31 directly or indirectly cause the funds or other consideration to be
32 deposited in an escrow or trust account, except as to a specific
33 loan or note secured by a deed of trust that the broker owns, is
34 authorized to negotiate, or is unconditionally obligated to buy.

35 (2) All funds received by the broker from the purchasers or
36 lenders shall be handled in accordance with Section 10145 for
37 disbursement to the persons thereto entitled upon recordation of
38 the interests of the purchasers or lenders in the note and deed of
39 trust. No provision of this article shall be construed as modifying

1 or superseding applicable law regulating the escrowholder in any
2 transaction or the handling of the escrow account.

3 (3) The books and records of the broker or servicing agent, or
4 both, shall be maintained in a manner that readily identifies
5 transactions under this article and the receipt and disbursement of
6 funds in connection with these transactions.

7 (4) If required by paragraph (3) of subdivision (k), the review
8 by the independent certified public accountant shall include a
9 sample of transactions, as reflected in the records of the trust
10 account required pursuant to paragraph (1) of subdivision (k),
11 and the bank statements and supporting documents. These
12 documents shall be reviewed for compliance with this article
13 with respect to the handling and distribution of funds. The
14 sample shall be selected at random by the accountant from all
15 these transactions and shall consist of the following: (A) three
16 sales made or 5 percent of the sales made pursuant to this article
17 during the period for which the examination is conducted,
18 whichever is greater, and (B) 10 payments processed or 2 percent
19 of payments processed under this article during the period for
20 which the examination is conducted, whichever is greater.

21 (5) For the purposes of this subdivision, the transaction that
22 constitutes a “sale” is the series of transactions by which a series
23 of notes of a maker, or the interests in the note of a maker, are
24 sold or issued to their various purchasers under this article,
25 including all receipts and disbursements in that process of funds
26 received from the purchasers or lenders. The transaction that
27 constitutes a “payment,” for the purposes of this subdivision, is
28 the receipt of a payment from the person obligated on the note or
29 from some other person on behalf of the person so obligated,
30 including the broker or servicing agent, and the distribution of
31 that payment to the persons entitled thereto. If a payment
32 involves an advance paid by the broker or servicing agent as the
33 result of a dishonored check, the inspection shall identify the
34 source of funds from which the payment was made or, in the
35 alternative, the steps that are reasonably necessary to determine
36 that there was not a disbursement of trust funds. The accountant
37 shall inspect for compliance with the following specific
38 provisions of this section: paragraphs (1), (2), and (3) of
39 subdivision (j) and paragraphs (1) and (2) of subdivision (k).

(6) Within 30 days of the close of the period for which the report is made, or within any additional time as the commissioner may in writing allow in a particular case, the accountant shall forward to the broker or servicing agent, as the case may be, and to the commissioner, the report of the accountant, stating that the inspection was performed in accordance with this section, listing the sales and the payments examined, specifying the nature of the deficiencies, if any, noted by the accountant with respect to each sale or payment, together with any further information as the accountant may wish to include, such as corrective steps taken with respect to any deficiency so noted, or stating that no deficiencies were observed. If the broker meets the threshold criteria of Section 10232, the report of the accountant shall be submitted as part of the quarterly reports required under Section 10232.25.

(k) The notes or interests shall be sold subject to a written agreement that obligates a licensed real estate broker, or a person exempted from the licensing requirement for real estate brokers under this chapter, to act as agent for the purchasers or lenders to service the note or notes and deed of trust, including the receipt and transmission of payments and the institution of foreclosure proceedings in the event of a default. A copy of this servicing agreement shall be delivered to each purchaser. The broker shall offer to the lenders or purchasers the services of the broker or one or more affiliates of the broker, or both, as servicing agent for each transaction conducted pursuant to this article. The agreement shall require all of the following:

(1) (A) That payments received on the note or notes be deposited immediately to a trust account maintained in accordance with this section and with the provisions for trust accounts of licensed real estate brokers contained in Section 10145 and Article 15 (commencing with Section 2830.1) of Chapter 6 of Title 10 of the California Code of Regulations.

(B) That payments deposited pursuant to subparagraph (A) shall not be commingled with the assets of the servicing agent or used for any transaction other than the transaction for which the funds are received.

(2) That payments received on the note or notes shall be transmitted to the purchasers or lenders pro rata according to their respective interests within 25 days after receipt thereof by

1 the agent. If the source for the payment is not the maker of the
2 note, the agent shall inform the purchasers or lenders of the
3 source for payment. A broker or servicing agent who transmits to
4 the purchaser or lenders the broker's or servicing agent's own
5 funds to cover payments due from the borrower but unpaid as a
6 result of a dishonored check may recover the amount of the
7 advances from the trust fund when the past due payment is
8 received. However, this article does not authorize the broker,
9 servicing agent, or any other person to issue, or to engage in any
10 practice constituting, any guarantee or to engage in the practice
11 of advancing payments on behalf of the borrower.

12 (3) If the broker or person who is or becomes the servicing
13 agent for notes or interests sold pursuant to this article upon
14 which the payments due during any period of three consecutive
